## O.A.S. Secretary General And Wife Are Honored

*By Frances Rowan*

THE PAN AMERICAN Union's top couple, Secretary General of the OAS and Senora de Mora, mingled with the distaff press yesterday at a party in their honor given by the American Newspaper Women's Club.

Latin American folk songs by guitarist Lopez Alvaro provided the background music as the popular Moras greeted guests in a receiving line headed by club president, Violet Faulkner.

The Secretary General's colleague, the Argentine Ambassador to the Organization of American States and Senora de Garcia, went down the line and joined the party as guests of Mrs. Nelson Hoff.

"I HAVEN'T seen you since Louisiana went Republican," Edgar Morris was saying to John Courtenay. Nearby Mrs. Charles Cabell, wife of Lt. Gen. Cabell, was chatting with Bab Lincoln. The Cabells brought with them the Assistant Secretary of State for Inter-American Affairs and Mrs. Roy Rubottom.
